SCHOLASTIC

# Educators are capable of incredible things

In March 2020, when almost all the world's schools shut their doors, educators responded overnight to teach their students using new modalities.

*'Teachers gave special support to students and families. They became part of the family as well.'*

*From an educator*

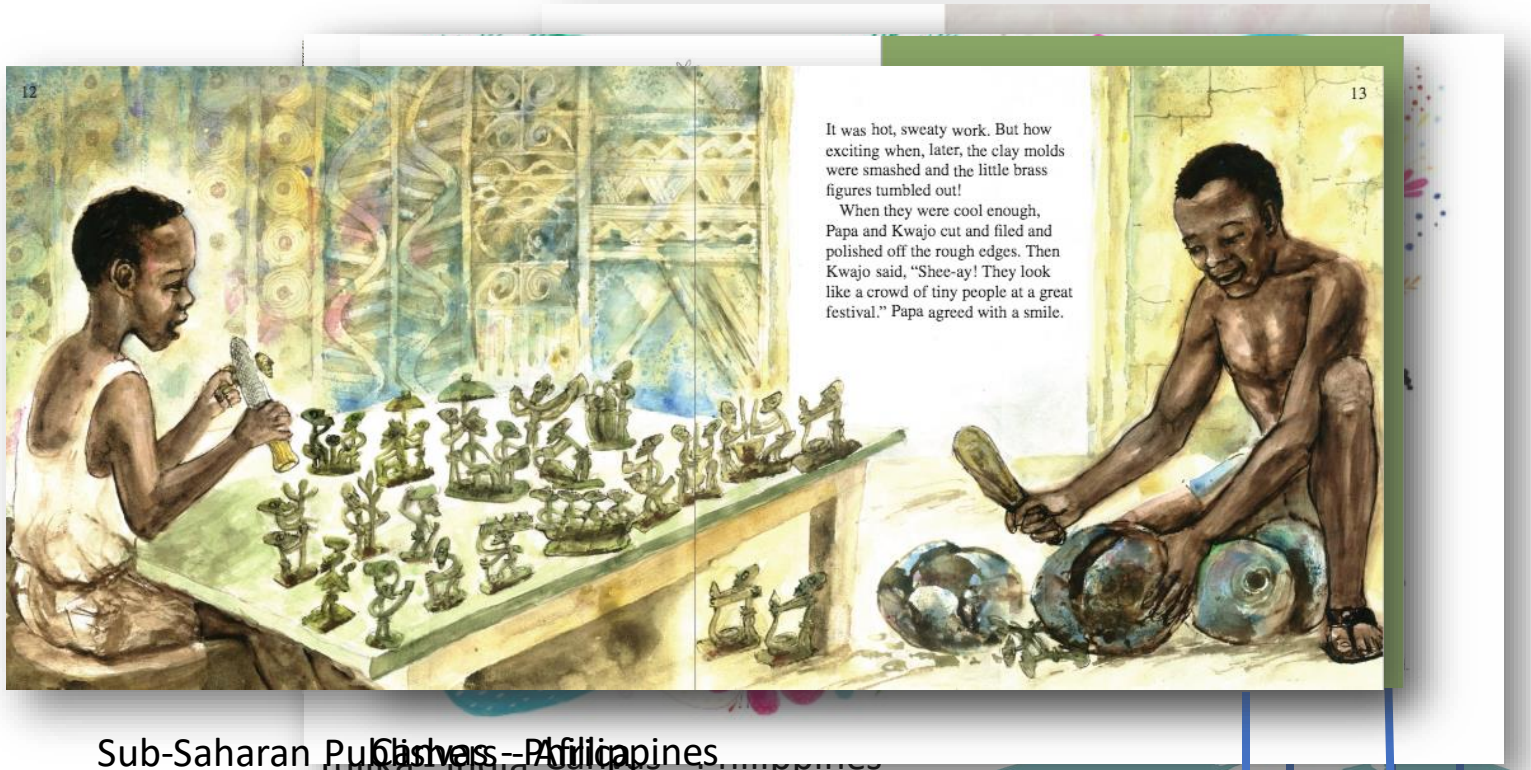
# We are determined to get the right books into the hands of every reader.

**3050** eBooks sourced from all over the world **provide abundant choice** and cover themes such as STEM, Social-Emotional Learning, and content-area subjects.

# “Reading helps them to see other people’s existence.”

-Pam Allyn

Books introduce students to diverse and distant worlds. Literacy Pro offers access to a **library full of stories** that reflect varied backgrounds and cultures and help **build identity as well as empathy**.



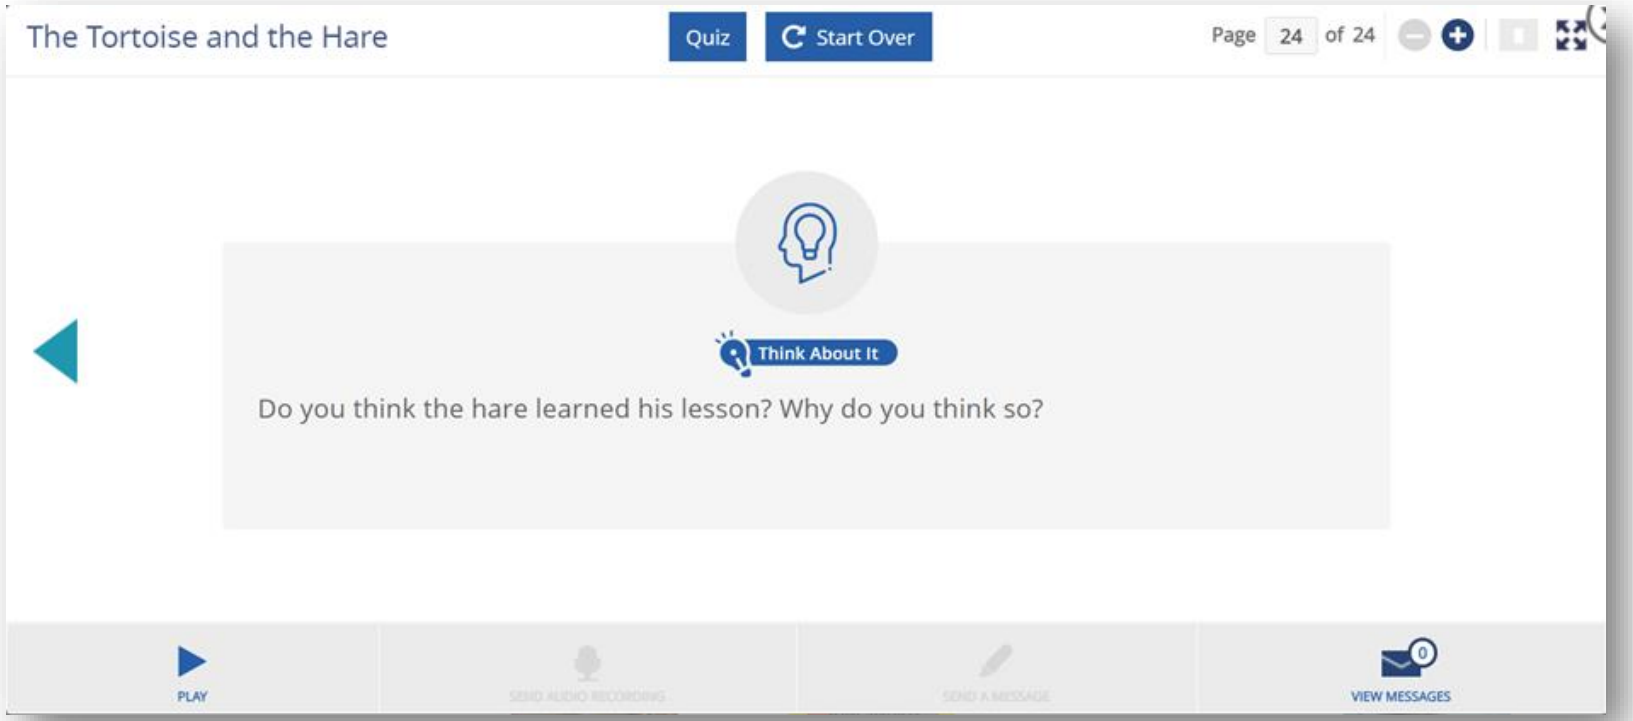
Sub-Saharan Publishers - Africa

Cisnvas - Philippines

LAGUNA BAY - Australia

# More books with Read & Think scaffolds to support deep comprehension.

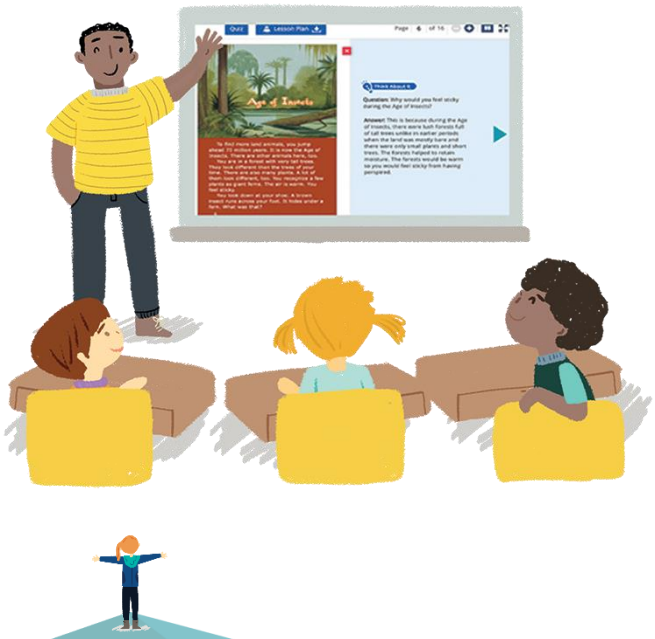
**550** Read & Think scaffolds help students to hit their reading stride and understand diverse, high-quality fiction books and informational text.

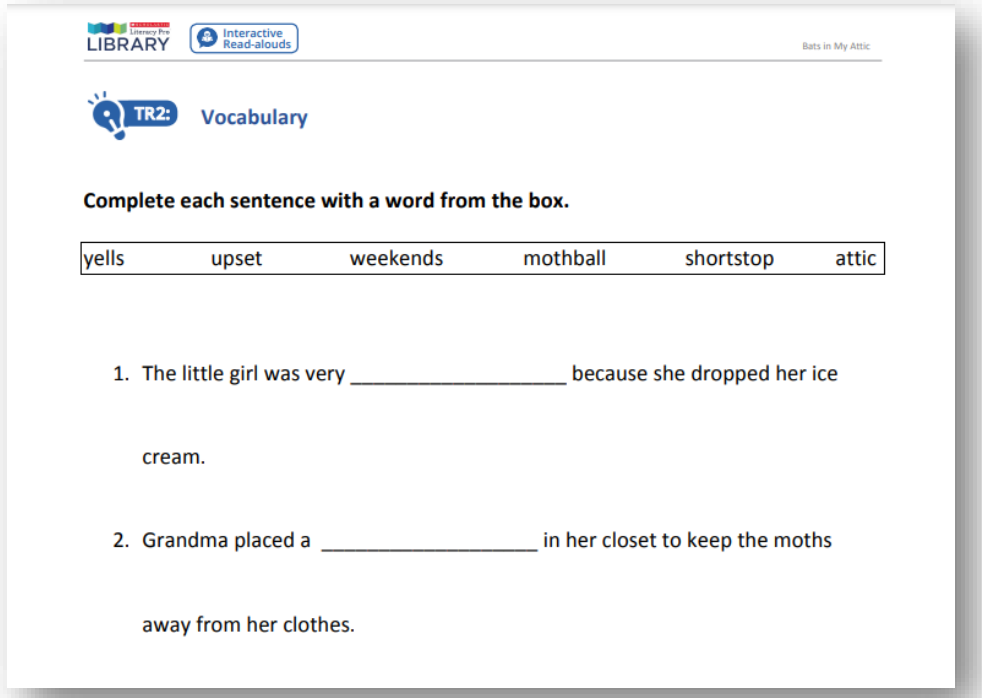


**Post-reading questions** encourage readers to extend their understanding and make personal connections with the text.

# More books with Interactive Read Aloud resources to draw *all* students into the text.

Capturing the interest of even disengaged readers, teachers find our **350** Interactive Read-Alouds in Literacy Pro an effective instructional resource.





LIBRARY | Interactive Read-alouds | Bats in My Attic

TR2: Vocabulary

**Complete each sentence with a word from the box.**

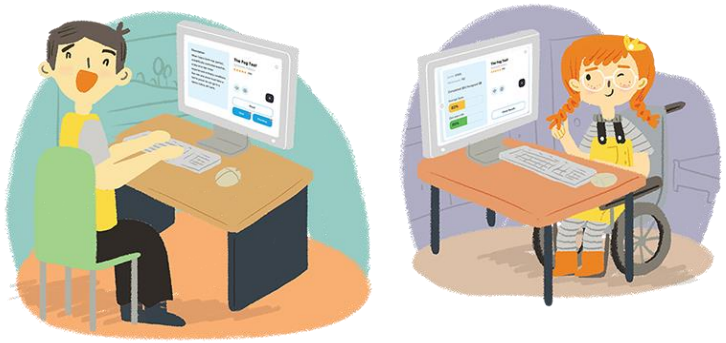
| yells | upset | weekends | mothball | shortstop | attic |
|---|---|---|---|---|---|

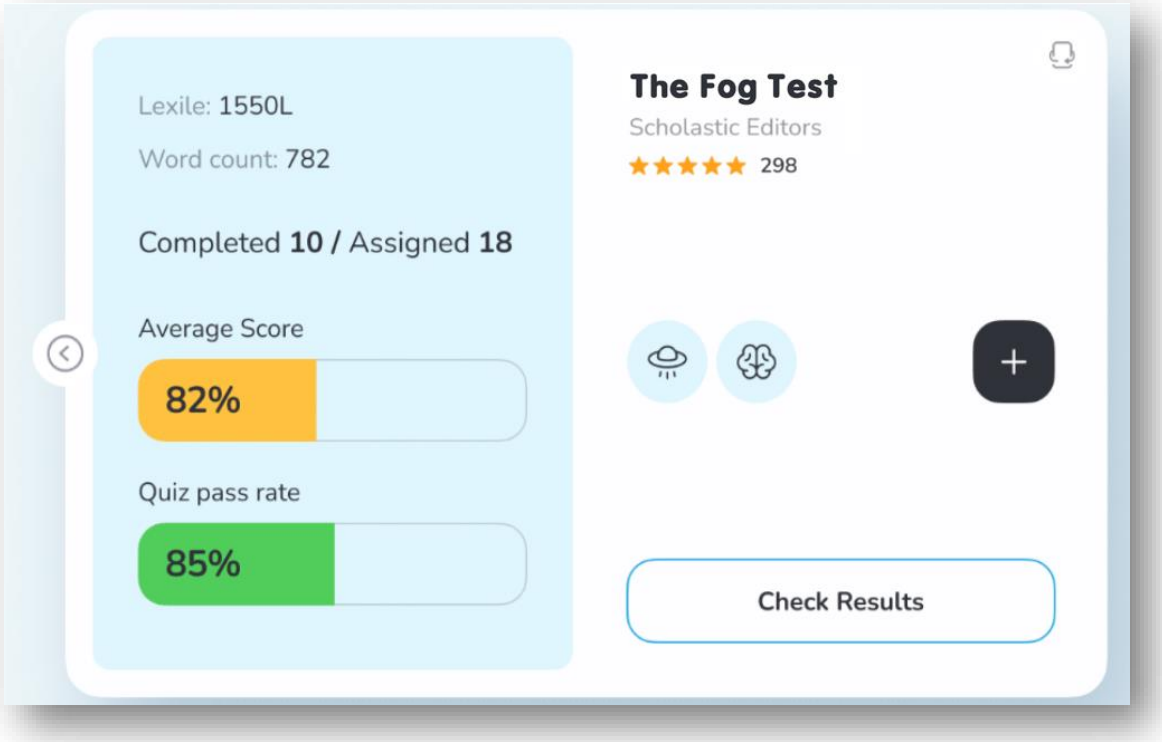
1. The little girl was very _____ because she dropped her ice cream.
2. Grandma placed a _____ in her closet to keep the moths away from her clothes.

**Additional worksheets** reinforce learning.

# More book quizzes – because we hear you loud and clear.

Ranked by teachers as one of their top three favorite features, more than **73,000** Literacy Pro book quizzes help to test students on key comprehension skills and serve as a formative assessment.





**Class performance** of the quiz, average score and quiz pass rate are available.

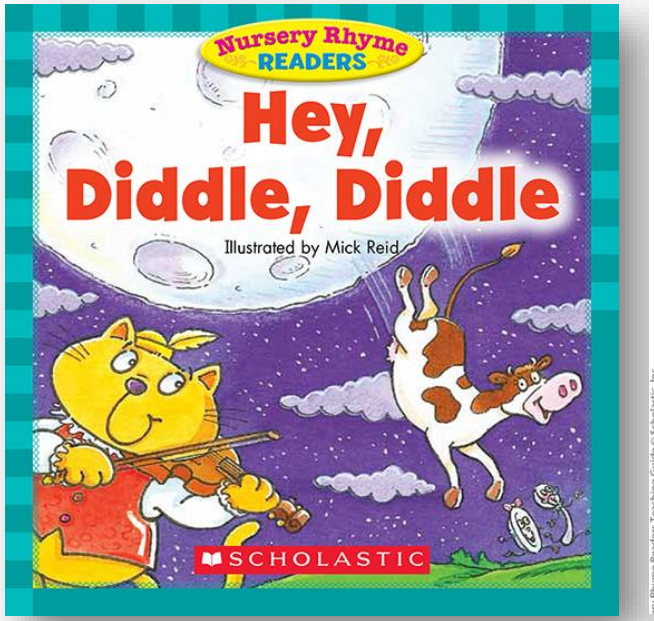
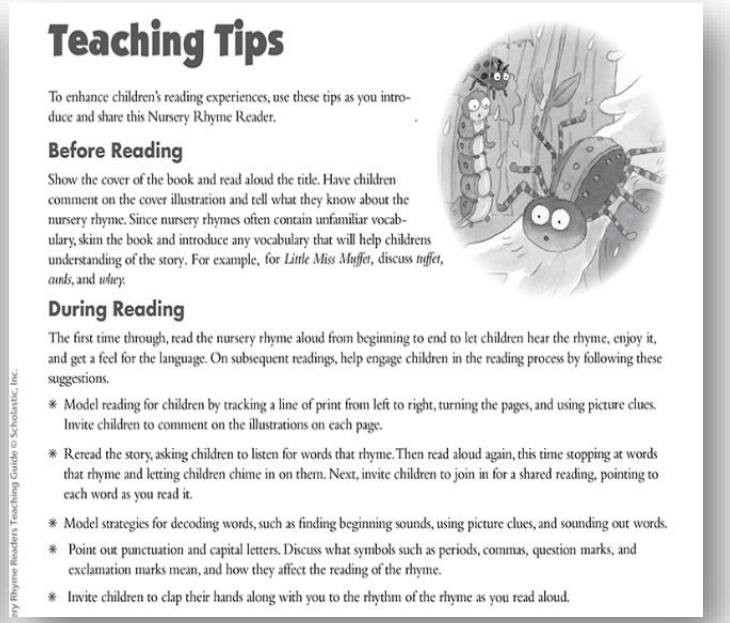
Literacy Pro™
Earlybird

# More instructional scaffolds and resources to support teachers and young students in learning to read.

**578** Books with interactive post-reading activities to help beginning readers achieve success.





## Teaching Tips

To enhance children's reading experiences, use these tips as you introduce and share this Nursery Rhyme Reader.

### Before Reading

Show the cover of the book and read aloud the title. Have children comment on the cover illustration and tell what they know about the nursery rhyme. Since nursery rhymes often contain unfamiliar vocabulary, skim the book and introduce any vocabulary that will help childrens understanding of the story. For example, for *Little Miss Muffet*, discuss *tuffet*, *curds*, and *whey*.

### During Reading

The first time through, read the nursery rhyme aloud from beginning to end to let children hear the rhyme, enjoy it, and get a feel for the language. On subsequent readings, help engage children in the reading process by following these suggestions.

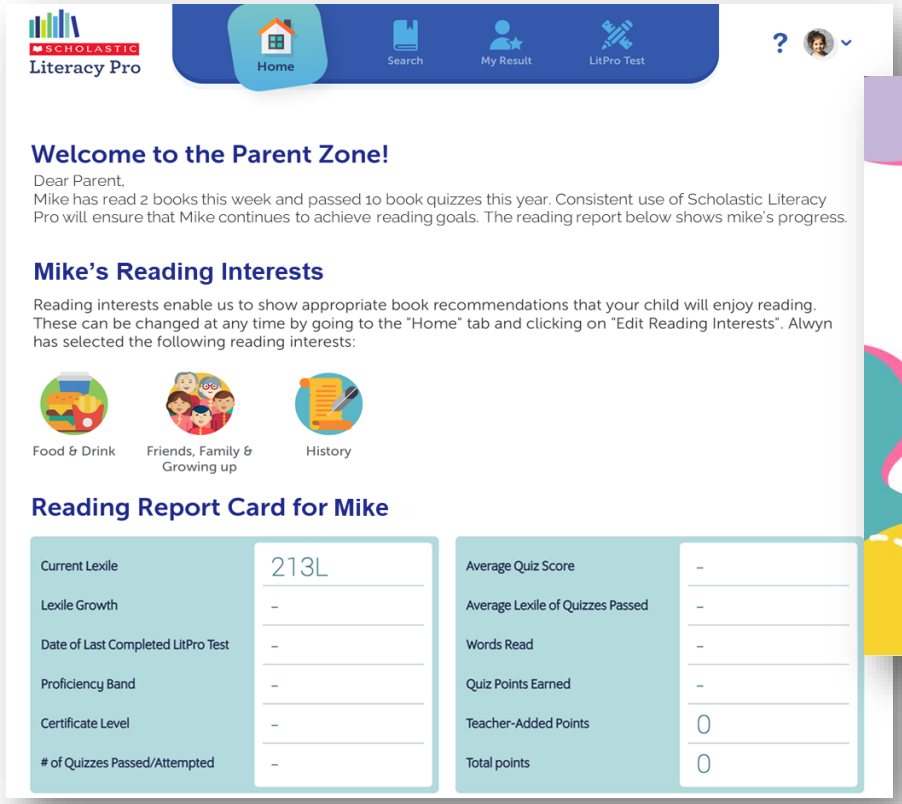
- Model reading for children by tracking a line of print from left to right, turning the pages, and using picture clues. Invite children to comment on the illustrations on each page.
- Reread the story, asking children to listen for words that rhyme. Then read aloud again, this time stopping at words that rhyme and letting children chime in on them. Next, invite children to join in for a shared reading, pointing to each word as you read it.
- Model strategies for decoding words, such as finding beginning sounds, using picture clues, and sounding out words.
- Point out punctuation and capital letters. Discuss what symbols such as periods, commas, question marks, and exclamation marks mean, and how they affect the reading of the rhyme.
- Invite children to clap their hands along with you to the rhythm of the rhyme as you read aloud.

ry Rhyme Readers Teaching Guide © Scholastic, Inc.

Lesson plans for instructional purposes, theme-based teaching resources and fun activity ideas help early readers.

# Every parent can be an effective literacy role model and coach!

Personalized information and resources in **the Parent Zone** support parents in **creating a literacy culture at home.**



Parents can **monitor their child's reading progress** and motivate them by rewarding certificates in Parent Zone.

# Everything you love about Literacy Pro, just better.

## Better Student Experience

A fresh new look that that varies by grade level plus fun badges, rewards, and a refreshed bookshelf every time students log in.

## Better Motivation to Read

Reading challenges at class and school level motivate students to read more frequently and to celebrate reading success.

## Better, Timelier Actions

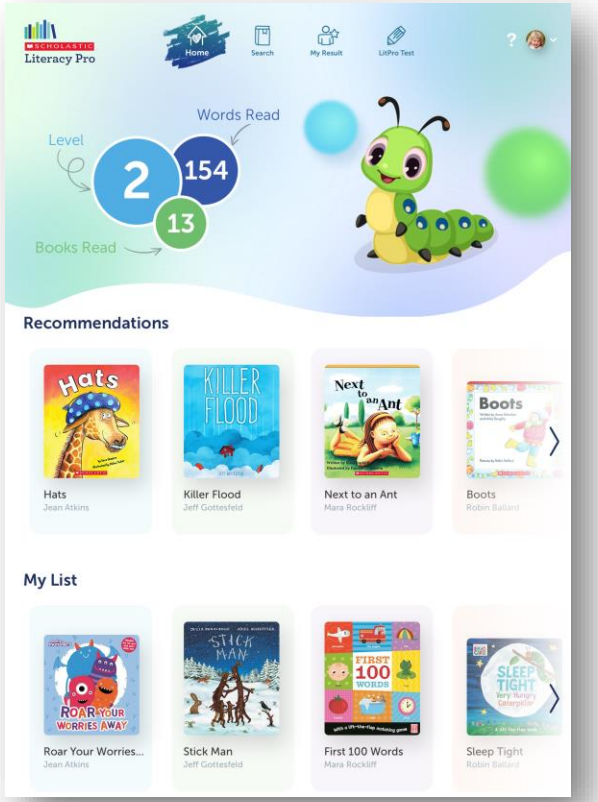
Alerts and insights on their dashboard enable teachers to take quick action to support their students.

SCHOLASTIC Literacy Pro™

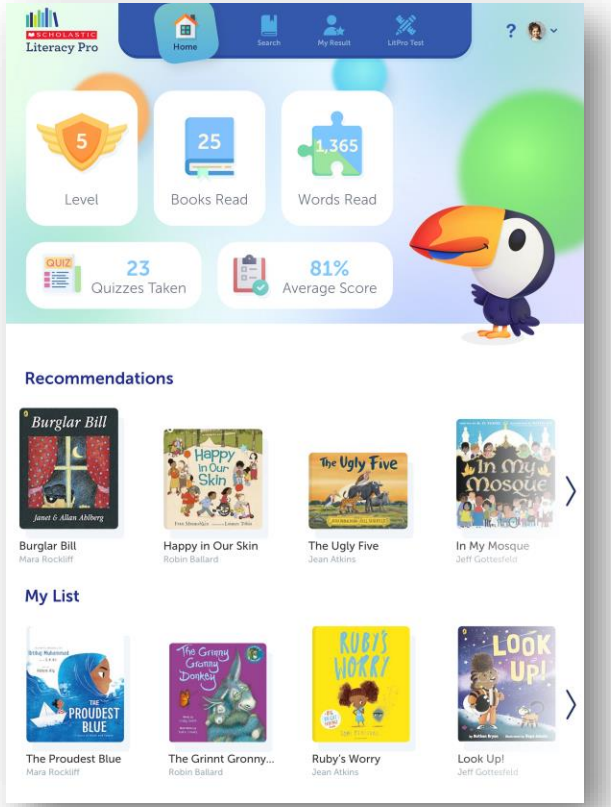
# A fresh new experience that makes reading fun like never before.

A **visually engaging** and evolving experience at three different education level bands, the **student dashboard** offers information and features that **vary with the age of the student.**

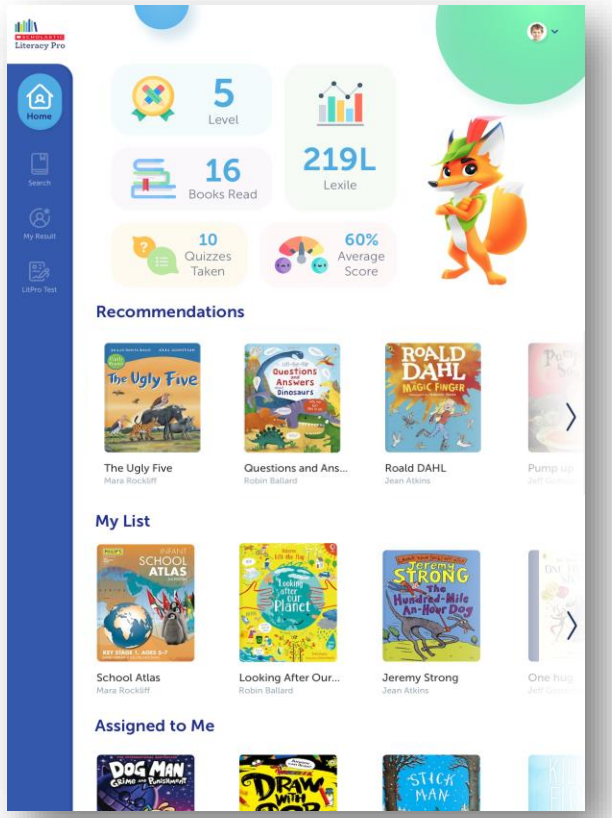
Grades K to 2



Grades 3 to 5

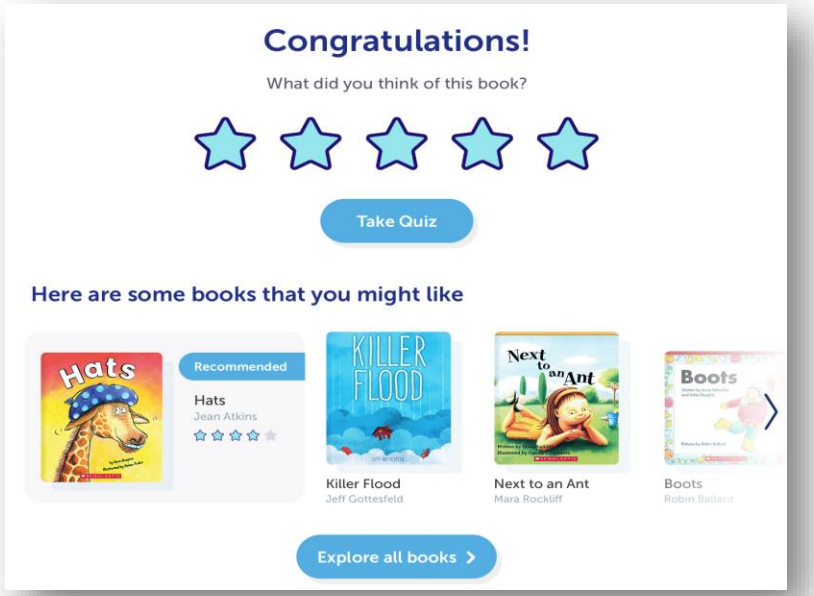


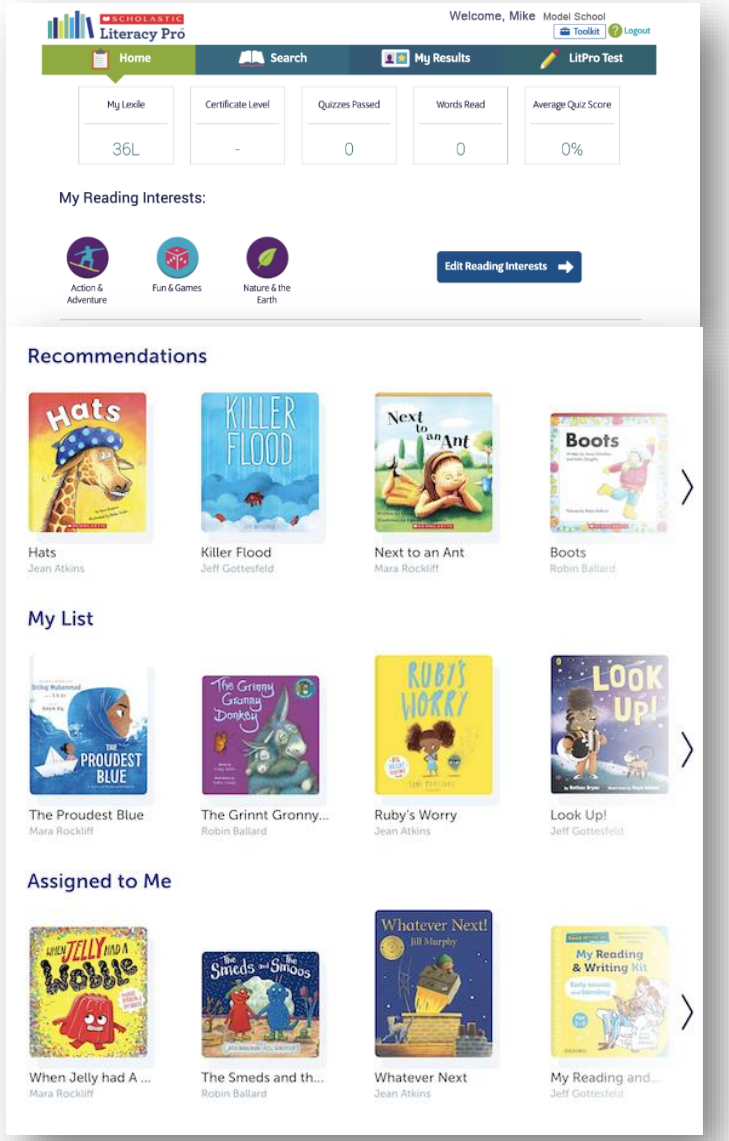
Grades 6 and above



# A personalized reading path with a dynamic bookshelf.

A refreshed bookshelf every time a student logs in to Literacy Pro **invites them to choose their own books** to read. The **smart recommendations engine** helps them **easily find a book** that is of interest to them, and we know that students are more likely to finish reading a book that they themselves have chosen.





Smart engine dynamically **offers recommendations matched to the student's profile** by interests, grade and reading level.

# Tools to encourage all readers to achieve their reading goals.

SECONDARY Release

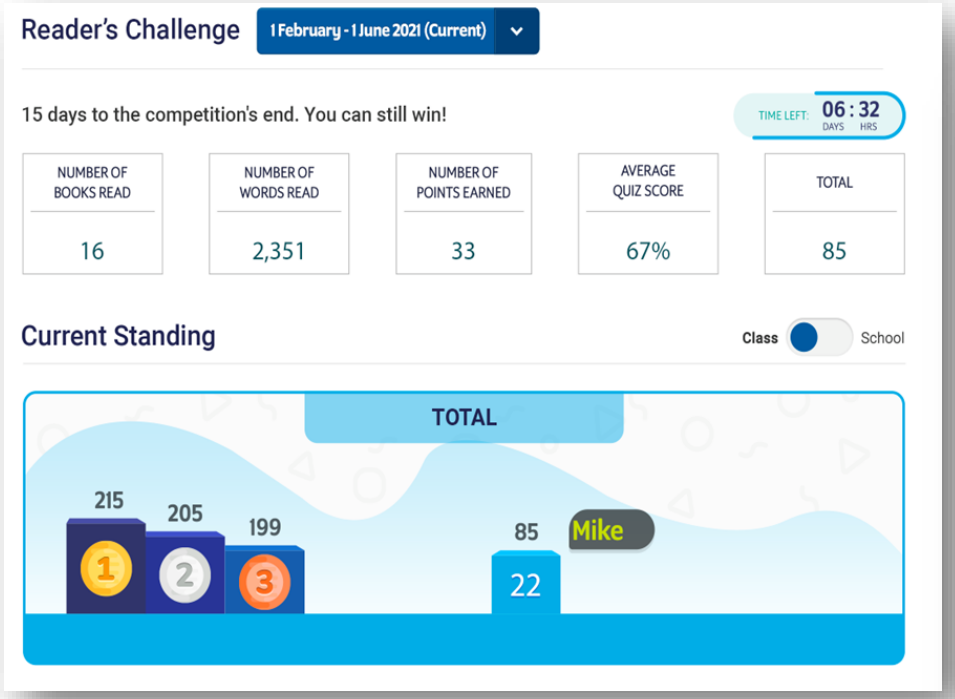
Reading engagement and reading achievement interact in a spiral: **the more engaged students become, the more they achieve.** Literacy Pro asks students to **set reading goals,** makes it easy to **track their progress**, and **rewards their achievements**.

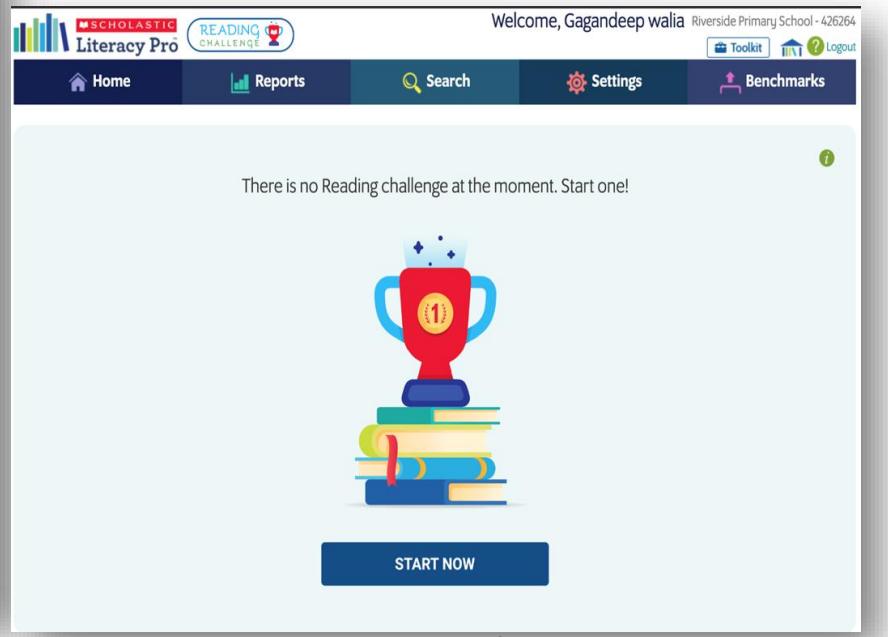
**Reward-based badges** motivate readers on Literacy Pro.

SECONDARY Release

# Introducing the Digital Reader's Cup!

**Reading Challenges** at class and school level **motivate students** to read more frequently and to **celebrate reading success.** We've learnt how successful implementation of reading challenges can impact reading motivation and success from our partner schools in the Philippines.



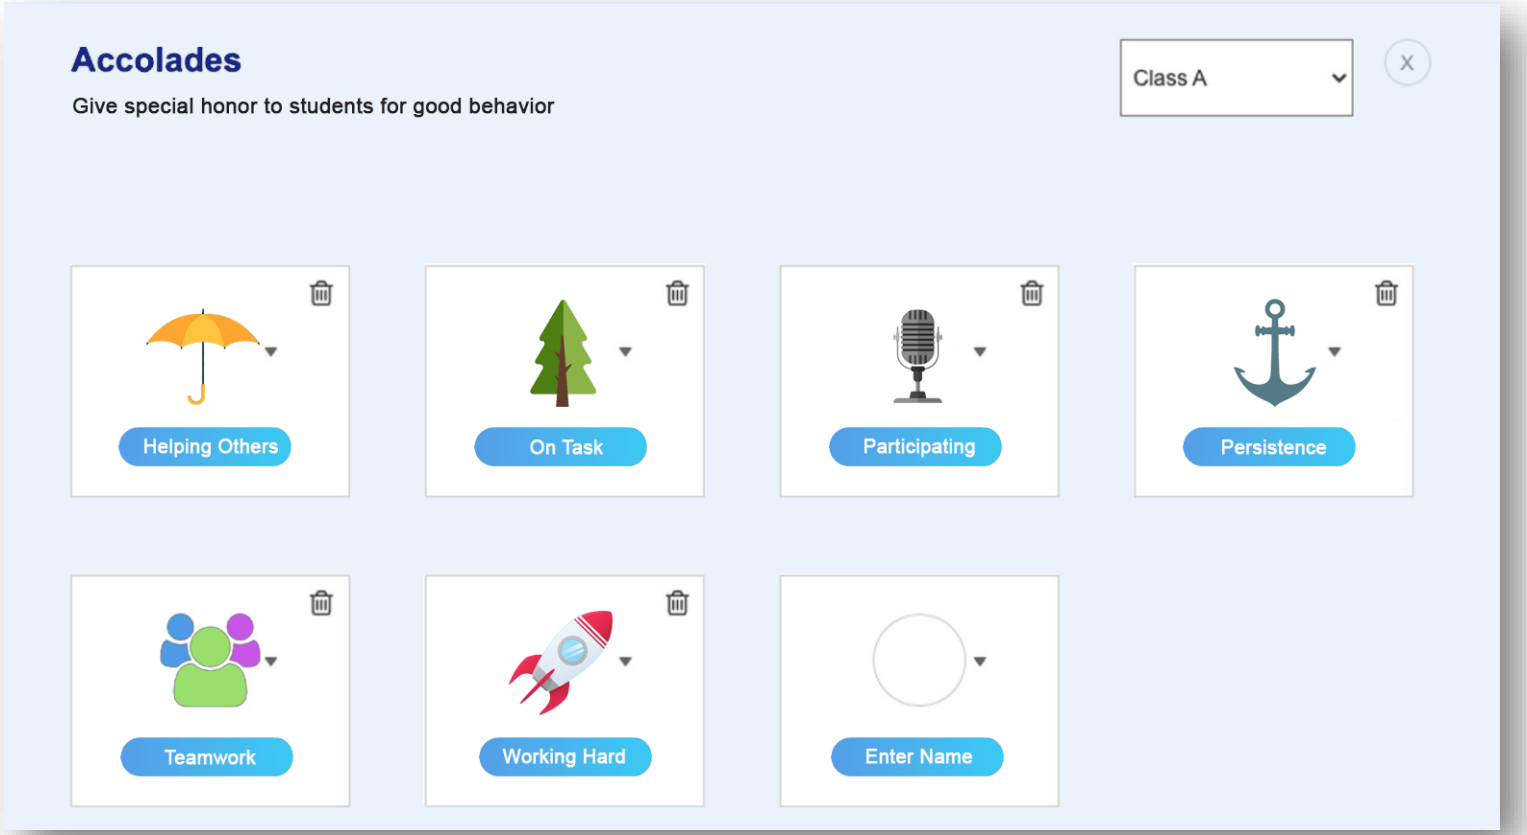


reading communities.

**Built-in reading challenges** motivate students to read more frequently.

# Accolades to encourage good behaviors.

Teachers can **acknowledge and give special honor** to motivate students, such as those who are on task, helping others or participating.



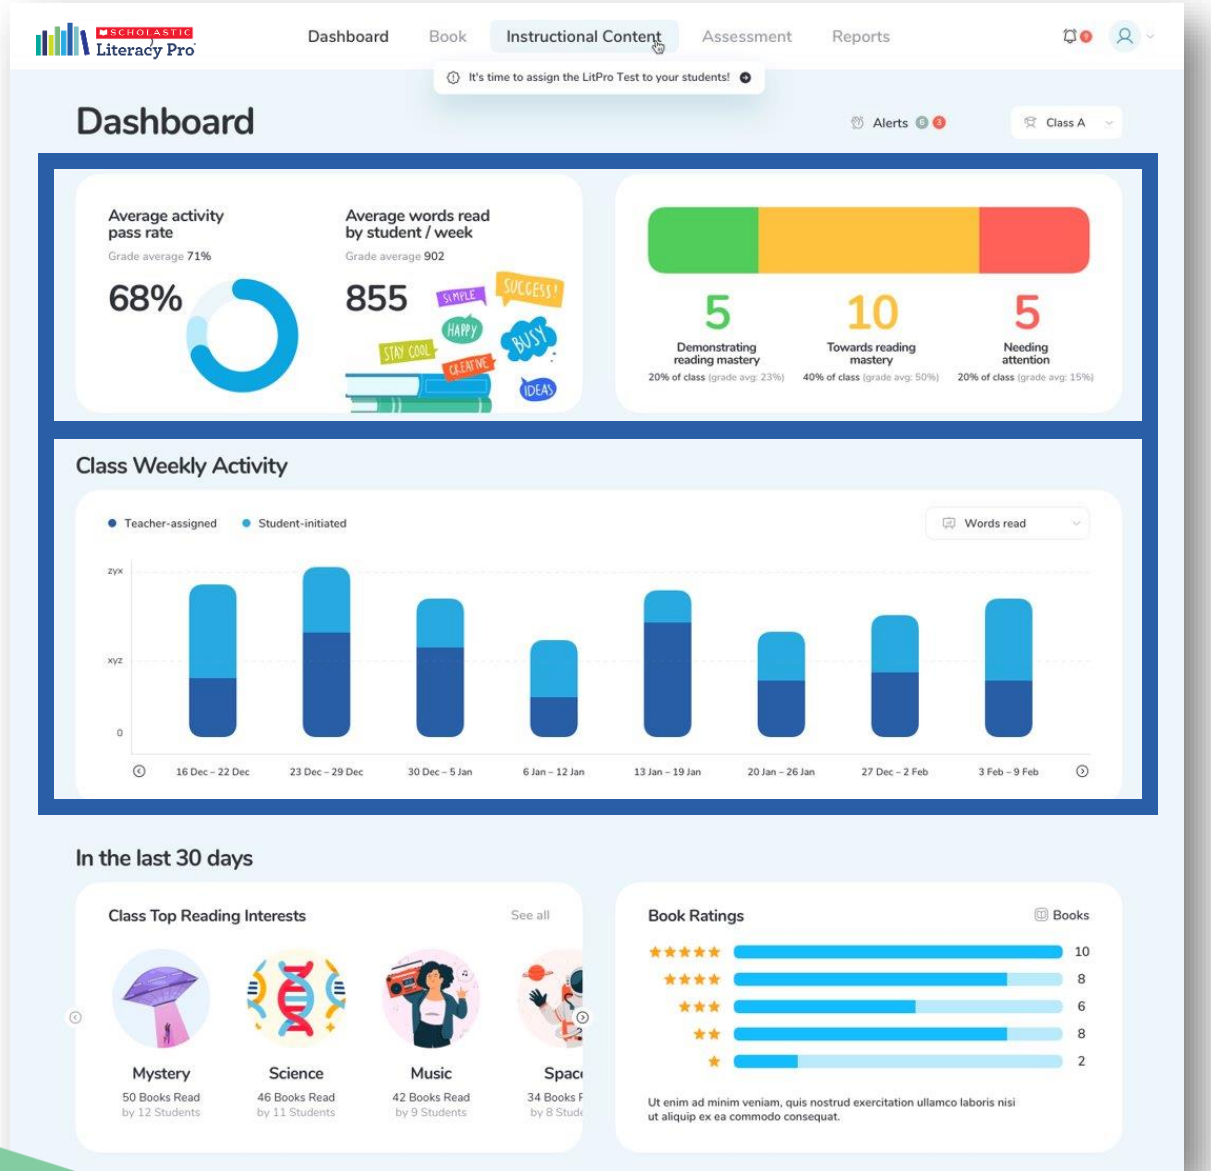
Teachers can **choose from the existing accolades** or create a new one.

# We've read your mind. Here's your new dashboard to help you read between the lines.

Presenting your **most actionable data and insights at a glance:**

- Average activity pass rate
- Average words read by student / week
- Traffic light alerts on students' progress

Class **weekly activity report** with filters such as words read, books read, number of quizzes, and quiz pass rate.



# We've read your mind. Here's your new dashboard to help you read between the lines.

Literacy Pro's teacher dashboard is **designed based on how teachers use it,** what they use it for, and how often they use each feature so that you can quickly get down to the business of helping students read and succeed.

Book collections and new arrivals are **organized to help you plan reading activities.**
